# HOW IT WORKS - PAYOUT

The screenshot shows the NFTIZ interface for an advertiser. On the left is a sidebar with the NFTIZ logo and the text 'FOR ADVERTISER'. Below the logo is a navigation menu with links: Dashboard, Offers, Report, Leaderboard, and Support. At the bottom of the sidebar is a user profile for 'Paul Melone' with a 'Dxeded...' status and a settings gear icon. The main content area is titled 'Payout' with the subtitle 'Define offer payout'. It features a progress bar with three steps: 1. Offer (Enter information), 2. Payout (Define offer payout), and 3. Budget (Add budget to offer). The 'Payout' step is currently active. The form fields include: a 'Payout' input set to '5' with a 'USDT' dropdown; 'Blockchain' options for 'Polygon', 'BSC', and 'ETH'; a 'Manual review' toggle that is turned on, with a note 'You will need to approve the leads manually'; and an 'End date' toggle that is also turned on, accompanied by a calendar widget showing December with the 8th selected. At the bottom of the form are 'Back' and 'Continue' buttons.

## Easy steps

Enter how much you are willing to pay  
for commission per token sale  
I.e. 10% of sale revenue in USDT

# HOW IT WORKS - BUDGET

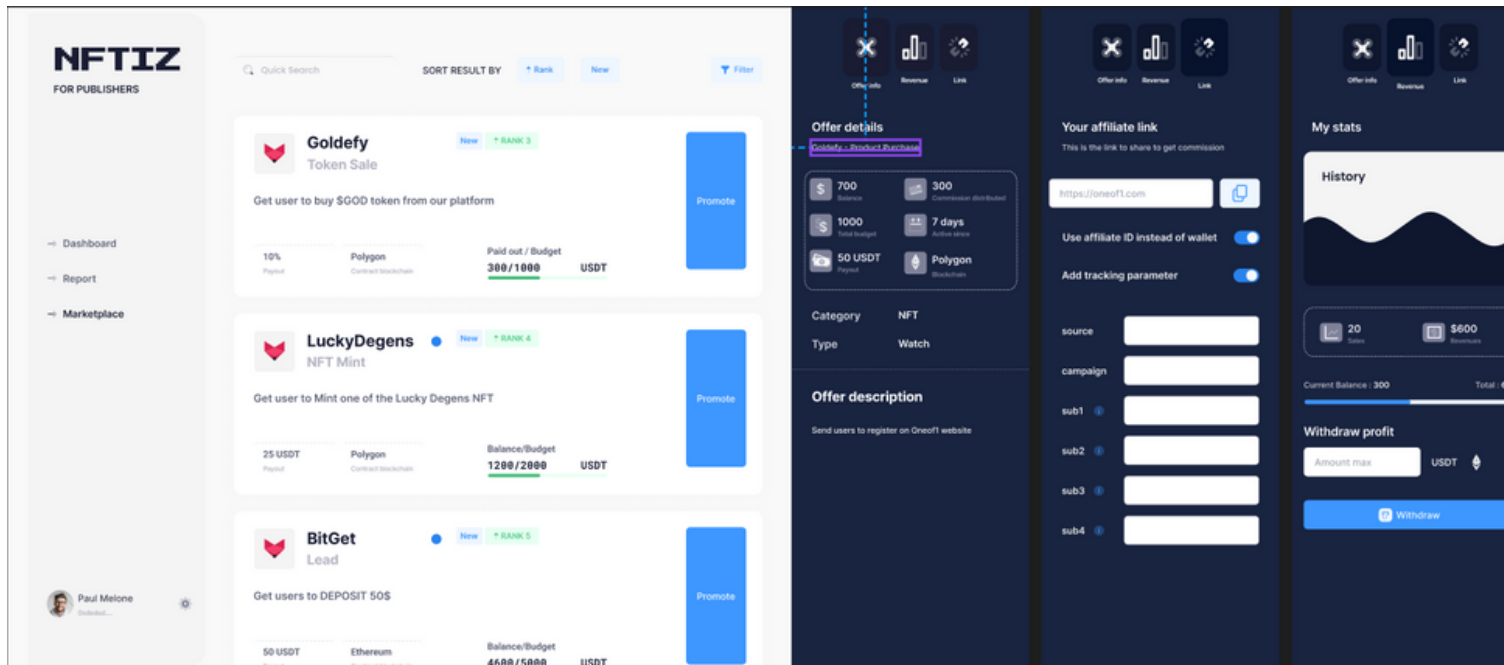

The screenshot displays the NFTIZ interface for an advertiser. On the left is a sidebar with the NFTIZ logo and the text 'FOR ADVERTISER'. Below the logo is a navigation menu with links: Dashboard, Offers, Report, Leaderboard, and Support. At the bottom of the sidebar is a user profile for 'Paul Melone' with a 'Oxdeded...' status and a settings gear icon. The main content area is divided into two panels. The left panel, titled 'Budget' with the subtitle 'Add budget to offer', contains a vertical list of steps: 'Offer' (Enter information), 'Payout' (Define offer payout), and 'Budget' (Add budget to offer), which is currently selected and highlighted with a blue square containing the number '3'. The right panel shows the 'Add budget' form. It includes a section titled 'About the offer Budget' with three bullet points: 'More budget gives more confidence to publishers.', 'You can always add more budget later', and 'You can only remove budget by ending the offer first.' Below this is an 'Enter amount' section with a text input field containing '100' and a 'USD' currency selector. An 'Add budget' button is positioned below the input field. A note states: 'After your click on "Add Budget", approve the transaction in your crypto wallet'. At the bottom of the form are 'Back' and 'Save' buttons.

## Easy steps

Payment to affiliates is automatic. You need to add an advertising budget. The budget is locked in the smart contract. NFTIZ will never have access to it. You can close your offer and withdraw your budget at anytime.

# HOW IT WORKS - MARKETPLACE

## Easy steps

Once you add a budget to your offer and test the installation, your offer is displayed on the NFTIZ marketplace

Publishers will see it and might promote it.

# TRANSPARENT PRICING

NFTIZ takes 10% of the commissions

## Example

Your token sale raised 200,000 USDT

You decide a fair commission for publishers is 10% - 20,000 USDT

NFTIZ takes 2000 USDT commission (10% of 20,000 USDT)

Publishers receive 18000 USDT
